## ABOUT ME

Highly motivated and results-oriented Full-Stack Web Developer with a strong foundation in React, Next.js, and modern JavaScript. Proven ability to design, develop, and deploy high-quality web applications across the full stack. Eager to contribute to innovative projects and collaborate effectively within dynamic teams to deliver exceptional user experiences.

## EXPERIENCE

### Full-Stack Developer, ARTCOM

[artcom-pink.vercel.app/admin](https://artcom-pink.vercel.app/admin)

[github.com/remi-k-work/artcom](https://github.com/remi-k-work/artcom)

Jan 2025

Developed a unique CMS for a training & consulting firm. Leveraging Payload CMS, I created a user-friendly system with drag-and-drop functionality. This project streamlined content workflows, reduced management time, and empowered team members to independently update website content, significantly improving overall content management efficiency.

### React Developer, ARTCOM

[artcom-pink.vercel.app](https://artcom-pink.vercel.app)

[github.com/remi-k-work/artcom](https://github.com/remi-k-work/artcom)

Nov 2024

Revamped ARTCOM's website using Next.js and React, creating a dynamic user experience with captivating animations. Demonstrated strong front-end development skills.

### Internship, ARTCOM

[artcom.edu.pl](https://artcom.edu.pl)

Oct 2024

Contributed to a dynamic learning environment as a Web Developer at ARTCOM internship. Leveraged skills in website development, IT maintenance, and digital asset creation (2D & 3D). Seeking a full-time tech opportunity to leverage my skills and passion.

## Odd Jobs

Too Long

Overcame a career obstacle by leveraging problem-solving and teamwork skills honed through diverse experiences (bartending, waiting tables, construction). Re-entered the programming field with a renewed perspective and a strong foundation in core programming principles. Eager to contribute to innovative software projects.
