ABOUT ME

Highly motivated and results-oriented Full-Stack Web Developer with a strong foundation in React, Next.js, and modern JavaScript. Proven ability to design, develop, and deploy high-quality web applications across the full stack. Eager to contribute to innovative projects and collaborate effectively within dynamic teams to deliver exceptional user experiences.

EXPERIENCE

Full-Stack Developer, ARTCOM

artcom-pink.vercel.app/admin

github.com/remi-k-work/artcom

Jan 2025

Developed a unique CMS for a training & consulting firm. Leveraging Payload CMS, I created a user-friendly system with drag-and-drop functionality. This project streamlined content workflows, reduced management time, and empowered team members to independently update website content, significantly improving overall content management efficiency.

React Developer, ARTCOM

Nov 2024

Revamped ARTCOM's website using Next.js and React, creating a dynamic user experience with captivating animations. Demonstrated strong front-end development skills.

Internship, ARTCOM

artcom.edu.pl

Oct 2024

Contributed to a dynamic learning environment as a Web Developer at ARTCOM internship. Leveraged skills in website development, IT maintenance, and digital asset creation (2D & 3D). Seeking a full-time tech opportunity to leverage my skills and passion.

Odd Jobs

Too Long

Overcame a career obstacle by leveraging problem-solving and teamwork skills honed through diverse experiences (bartending, waiting tables, construction). Re-entered the programming field with a renewed perspective and a strong foundation in core programming principles. Eager to contribute to innovative software projects.
